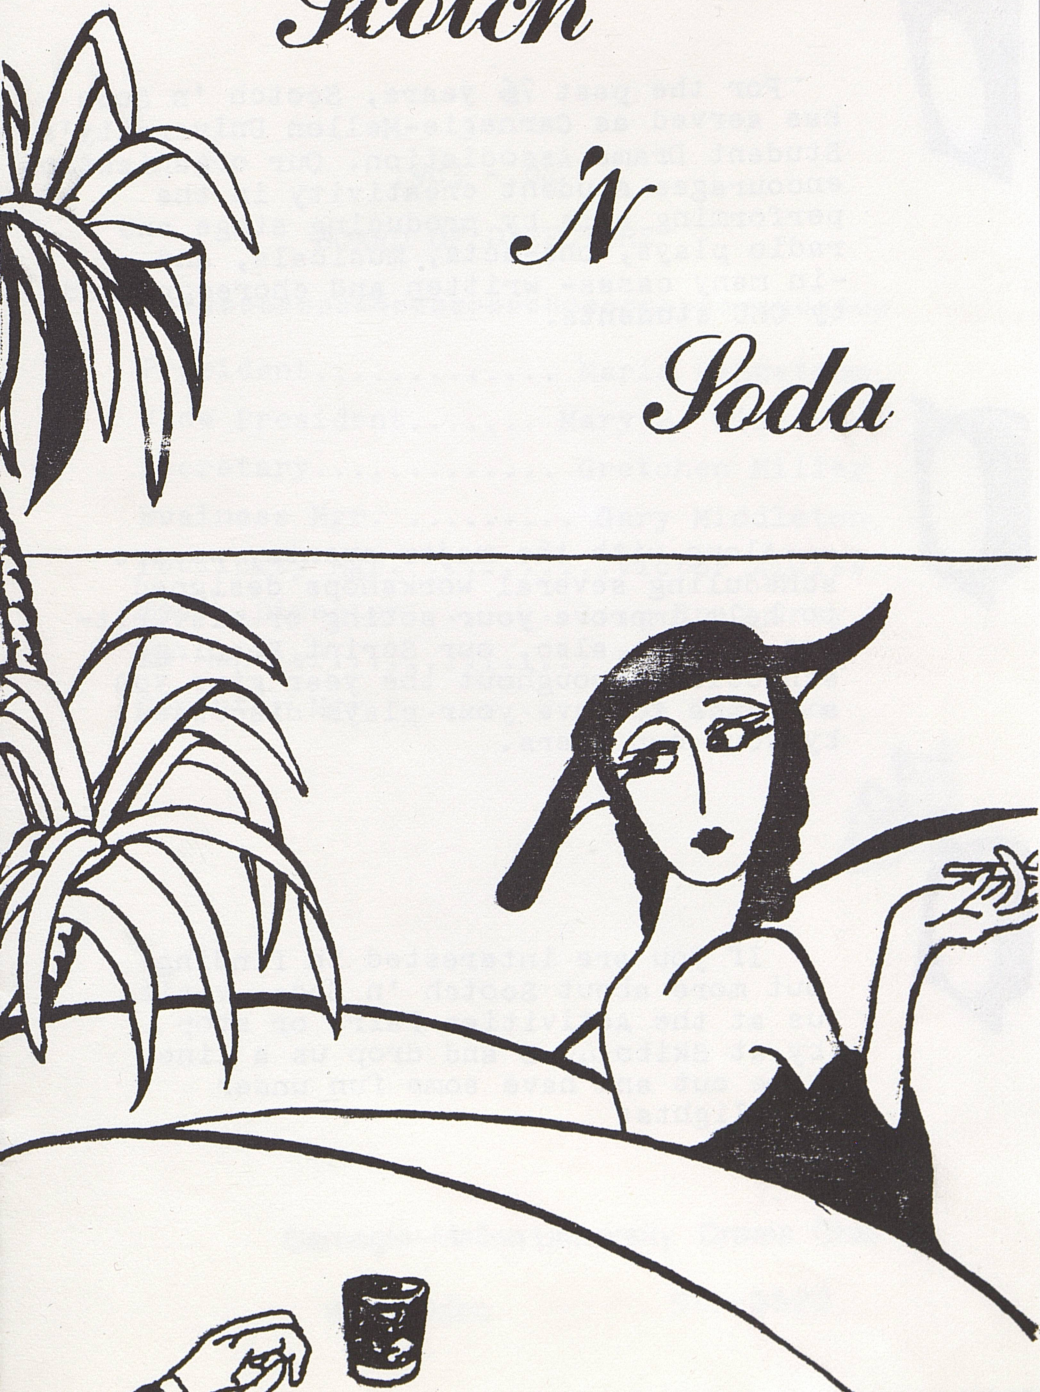
Scotch 'N Soda



For the past 76 years, Scotch 'n Soda has served as Carnegie-Mellon University's Student Drama Association. Our organization encourages student creativity in the performing arts by producing stage and radio plays, one-acts, musicals, and -in many cases- written and choreographed by CMU students.

Along with the major events, we are scheduling several workshops designed to help improve your acting or playwriting skills; also, our Script Readings scheduled throughout the year give you a chance to have your plays discussed by your own peers.

If you are interested in finding out more about Scotch 'n Soda, visit us at the Activities Fair, or stop by at Skibo 40 D and drop us a line. Come out and have some fun under the lights!

1983 - 84
